The James flowed on to the sen. washing its muddy waters against the ice-bordered banks. A light snow on the hard, unyielding earth only added to the gloom. The wind mouned through the winterswept pines. Fences strewed the said. dirt roads still marked by the there were the charred and blackened wreck of some barn or about his neck, and they stood by granary; here the whitened bones the mantle. was echoing with the angelic for Fannie to follow him. melody, "Peace on earth, good will to men."

he wore was only partly civilian. the ground. The coat was gray and tightly relic, besides the sabre, of the Was he thinking of the last fore sunrise, a roasted pig held the steps with the waiter and ever laid eyes on." Christmas in camp, of a forage beof history. Was it that ?

Across the field the smoke float ed apward from the mud-smeared chimney of a but-several buts. It was where the negroes lived. Two tottering old men, two boys, big enough to work in the field. and one old woman-that was al'. The rest had gone. One of the boys was bringing the horee from water. As it followed its ragged greom along the road it made a strange contrast with the surroundings; for, fat and sleek, it seemed as if there must be plenty everywhere-yet the barn, like tie animal! From the call to arms until the bugle sounded for the final taps it had been his constant companion. And then, after all was over, they had come back through Richmond and then to the old home. He smiled when he remembered how he and the boy had hooked up the old charger and a solitary mule to a plow and worked until the faithful mule had died. There was not enough in the field or the stable for two.

The old men and the boys had joined each other and were coming into the stomach, but takes effect Irwin. across to the house. In the kit- right at the seat of the trouble.
